SEEDING & THE DRAWING OF LOTS

An updated list of participating teams and reserve teams will be issued by the FIVB the day before the drawing of lots by 12:00 Swiss Time. This list will be prepared in accordance with the Entry regulations. See above.

Upon the release of the Confirmed Entry List, the teams will be seeded by the sum of the Athlete seeding points on the day of the release, and a further release will be made with the most updated Confirmed Entry List on the day before the drawing of lots. Based on this updated list, the FIVB will elaborate the seeding of the event in accordance with drawing of lots regulations.

Two drawing of lots will be conducted as follows:

- One (1) drawing of lots will be conducted in The Hague (NED) to determine the pools composition on 30th March 2015. The exact location will be at Mauritshuis museum next to the Hofvijver. Start time at 19:00pm.
- One (1) drawing of lots will be conducted in The Hague on 30th June 2015 to determine the seeding of the thirty-two (32) teams in the Single Elimination phase.

The principles to conduct the drawing of lots prior to the start of the event to determine the pool composition will be as follows:

- Teams will be seeded as per the sum of their Athlete seeding points on the day before the Drawing of Lots (29th March 2015).
- The first host country team if it will be within the first 12 entry positions it will be granted seeding No 1.
- Should the 1st Host Country team will be below position 12 in the list it will be granted the seeding position No 12.
- The second and third eventual host country team entered through the NF ranking will be placed as per their natural seeding.
- The remaining host country teams will be placed one team per each city. From seeding 1 (if applicable) to seeding 12 teams will be placed in the 12 pools in accordance to their respective seeding points.

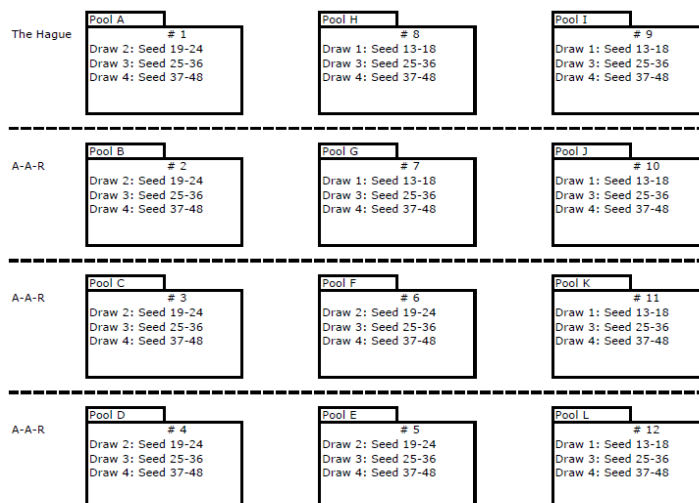

Four draws will be conducted as follows:

- Draw 1: From seeding 13 to seeding 18 in accordance with seeding points to pools G-L
- Draw 2: From seeding 19 to seeding 24 in accordance with seeding points to pools A-F
- Draw 3: From seeding 25 to seeding 36 in accordance with seeding points to pools A-L
- Draw 4: From seeding 37 to seeding 48 in accordance with seeding points to pools A-L

All wild cards will be placed by their natural seeding with the exception of the 2nd wild card for the Men Host Country which will be drawn into the Pools that are playing in The Hague (fixed position pool I). The other wild cards from the HC cannot be placed in the same pool as another host country team. The Host country will have the possibility to determine the team which will be granted the 2nd wild card through an event prior to the start of the event.

Nevobo grant one wild card to the men and women team that perform best in three national tour events that take place before the start of the FIVB Beach Volleyball World Championships 2015. The names of those wild card teams will be announced on Sunday 21st June 2015. These events are:

	Men	Women
May 29-30	Arnhem/Budel	Arnhem/Budel
June 6 – 7	Vlissingen	Vlissingen
June 19 – 21	Amstelveen	Amstelveen

placing # 1-12

Drawing group II into group 13-18 and group 19-24
 All other groups are drawn in groups of 12 teams
 Considering in each city one dutch team

2nd wild card Netherlands Men should be placed in group H or I

*A-A-R – Amsterdam, Apeldoorn and Rotterdam – city to be defined

Following this scheme all winners of the pools will stay in the same city and only the teams placed in position # 2 and 3 will have to travel.

In the case of no Dutch team play in The Hague, after the second drawing of lots, the LOC has the right to change pools from one to another city. A minimum of one Dutch team will be granted to play in the city of The Hague.

Match-up:

The match-up will be disclosed following the announcement of the Confirmed Teams Entry list and any changes in the list should not affect the match-up. This in order to maximize TV and Media exposure as well as ticketing.

Rules for Pool Ranking:

- Winner earns 2 match points, Loser earns 1 match point.
- In case of an injury forfeit of a team (team is at the court on time for the start of their match, however cannot start the match due to injury), the winning team will be awarded 2 match points for the win, a set score of 2:0, and points of 0:0, 0:0. The losing team will be awarded 1 match point, a set score of 0:2, and points of 0:21. 0:21. The score sheet however will reflect the standard application of rule 7.4.
- In case of an injury forfeit or an eventual disqualification of a team after the start of the match (as an example BRA is leading AUS 6:4 in the first set and AUS is injured at this point and cannot continue the match), the winning team will be awarded 2 points for the win, a set score of 2:0, and little points of 6:4, 0:0. The losing team will be awarded 1 match point, a set score of 0:2, and points of 4:21. 0:21. The score sheet however will reflect the standard application of rule 7.4.
- In case of a forfeit due to no show of the team before the start of their match, the winning team will be awarded 2 points for the win, a set score of 2:0, and points of 0:0, 0:0. The losing team will be awarded 0 match points, a set score of 0:2, and points of 0:21. 0:21. The score sheet however will reflect the standard application of rule 7.4. The forfeiting team will also be subject to a sanction.

In case of a tie in the Pools (match points), during the Round Robin, the following rules will apply:

Between two teams:

- If teams have played against each other, the winner of the head to head match is ranked higher.
- If teams concerned have not played against each other, their ranking is determined by the points ratio between all teams in the pool.
- If a tie still exists by points ratio then the teams have the same position in ranking.

Between three teams:

- If three teams have a tie in the main points, then the top ranked team is determined by the points ratios in the matches between the three tied teams.
- If a tie still exists then the teams have the same position in the ranking.

Between four teams:

- The ranking is determined by the points ratio between all teams in the pool.

If a tie still exists then the teams have the same position in the ranking.

In case of a tie in the Pools (match points), at the end of Round Robin, the following rules will apply:

Between two teams:

- The winner of the head to head match is ranked higher.

Between three teams:

- Teams are ranked by the points ratios in the matches between the three tied teams.
- If a tie still exists then the top ranked team is determined by the points ratio between all teams in the pool.
- If a tie still exists then the top ranked team is determined by the tournament seeding (the highest seed of the tied teams is the top ranked teams).

Pools will be grouped as follows:

- A will be in The Hague as pool H and I.
- The cities of the remaining 3 pools will be determined in accordance with the international broadcasters' needs and local communities.
- B will be in the same city as pool G and J.
- C will be in the same city as pool F and K.
- D will be in the same city as pool E and L.

Host country teams will be divided over the 4 different cities. In order to reach that goal during the drawing of lots, the HC teams can be moved to another city / group to arrange this agreement.

If required, a drawing of lots will be carried out during the meeting to break any eventual ties in the seeding.

The principles to conduct the drawing of lots after the Pool phase will be as follows:

The winners of pools A-L will stay in the same city. And are fixed in the positions 1-12.x. The number 2 and 3 will be drawn to the different positions according to the following schedule: The FIVB grants the organising committee to change groups so that at least 1 Dutch team keeps playing in The Hague.

All teams will be transported the same day / evening to the hotel of their new city.

Note: If feasible it should be avoided to play the last match of the pool amongst the teams of the same country.

The playing format of the World Championships should be fixed, so that the drawing of lots after the Pool Play finishes at late afternoon and no games are played on the same day in Single Elimination. In case of a contingency, if the first round of Single Elimination is played the same day as the drawing after Pool Play is made, the starting time of the first game in single elimination cannot be earlier than 2 hours, after the bracket has been drawn and approved by the FIVB/Technical Supervisor. The FIVB Technical Supervisor must be responsible to verify that the competition schedule fulfils the FIVB competition regulations at least one month before the start of the event (start time semi-finals and finals, above duration of the competition, match per day, break between matches, daylight, etc.).

Drawing of lots to establish the seeding of the Single Elimination phase thirty-two (32) teams:

WITHDRAWALS

Up to the Confirmed NF Entry List (-99 days)

Before the Confirmed NF Entry List deadline the participating NFs may:

- Withdraw or remove a team(s) from an FIVB World Championships directly through the Volleyball Information System (VIS);
- Disband/alter a composition of a team(s) directly through the Volleyball Information System (VIS).

After the Confirmed NF Entry List (-99 days) and up to -30 days before the Event

Once the Confirmed NF Entry List is issued by the FIVB, the participating NFs may:

- Submit a withdrawal, disband or 'change of athlete' request to the FIVB (worldtour@fivb.org) through the BVB/03 form without a supporting Medical Certificate;
- The FIVB website will be updated after every withdrawal and substitution of players approved by the FIVB;
- In case of a withdrawal of a team, its position in the Main Draw Tournament will be maintained and another team of the same country (if any) will then replace the withdrawn team. In case there is no replacement team from the same country, the next eligible team in the NF Entry Ranking will enter the Main Draw Tournament;
- In case of a withdrawal of a team before the teams are drawn into pools (30th March 2015),
- The eligible team entering the Main Draw Tournament will be seeded as per its sum of Athlete Entry points;
- In case of a withdrawal of a team after the teams are drawn into pools (30th March 2015), the eligible team entering the Main Draw Tournament will take the position of the withdrawn team.

Last Minute Withdrawals

After -30 days and up to 1 minute before the start of the Preliminary Inquiry of the Main Draw Tournament, the participating NFs may:

- Submit a withdrawal, disband or "change of athlete" request to the FIVB (worldtour@fivb.org), through the BVB/03 Form for a team/athlete, only if supported by a valid Medical Certificate and a proof of an issued airplane ticket by a IATA recognized airline company.
- In case of a withdrawal of a team, its position in the Main Draw Tournament will be maintained and another team of the same country (if any) will then replace the withdrawn team. In case there is no replacement team from the same country, the next eligible team in the NF Entry Ranking will enter the Main Draw Tournament. The eligible team entering the Main Draw Tournament will take the position of the withdrawn team.

Reserve teams must announce their presence through a formal communication to the FIVB, the Event Director and the Organizers in The Hague at the office by the 25th of June (the day before the opening).

In case one or more withdrawals take place just before the Preliminary Inquiry leading towards the Technical Meeting, the reserve team(s) (after having declared his/her presence at the Preliminary Inquiry and attending the Technical Meeting In The Hague) with the highest NF ranking points will be eligible in priority to fill the roster. Amongst the seeded team(s), the one(s) with the highest seeding points will be replacing the highest vacant seeding position and so on until the roster will be filled in accordingly. This replacement will be done at the respective Technical Meeting once the final number of vacant positions is established due to withdrawals from **June 22th 2015** to the start of the Technical Meeting (without changing for all remaining teams the seeding previously established by the FIVB in accordance with the seeding regulation).

Failure to comply with the above requirements and deadlines for the last minute withdrawals/disbands or 'change of athlete' shall result in applied fines to the athlete(s) concerned:

Team enlisted in the confirm list of participating teams	USD 3,000
--	-----------

In addition to the above fines, failure to comply with the above requirements and deadlines for the last minute withdrawals/disbands or 'change of athlete' shall result in the event being counted as zero (0) points for the Athlete Entry point calculations among the eight (8) results considered for entry and seeding purposes at the FIVB beach volleyball tournaments.

No Show:

If an athlete fails to attend the Preliminary Inquiry and to notify the FIVB or the Organizers in advance, that athlete's team is eliminated from the tournament and a fine of USD 3,000 (Main Draw) is imposed on him/her, unless the FIVB accepts to the reason as "force majeure". The athlete has to prove the circumstances constituting the "force majeure".

Late Arrival:

In the event that an athlete arrives late to the Technical Meeting (having gone through the procedures of the Preliminary Inquiry), as confirmed by the FIVB Technical Supervisor, a fine of USD 250 (Main Draw Tournament) may be imposed on him/her, depending on the reasons for the delay. Such fine shall be paid prior to participation in the first match of the tournament concerned.

Special cases of late arrival may be considered upon proof of force majeure reason communicated to the FIVB Technical Supervisor and FIVB Beach Volleyball Department (before the start of the Preliminary Inquiry).
